If more than 3 prescriptions are needed, write the requested information from this table on a separate piece of paper and enclose with your order. If you do not wish to have one of the medications filled, please indicate on the prescription to save for future fill or to not fill at all. Additional processing time may be required for prescriptions that require physician clarification.

*Pharmacy law permits pharmacists to substitute a less expensive FDA-approved generically equivalent medication for a brand-name medication unless you or your prescriber indicate otherwise. Some health plans require the patient to pay the difference between generic and brand name cost.
