You may also call Customer Service for updated provider information.

Introduction

This booklet provides a list of Blue Medicare Advantage (PPO), Blue Medicare Advantage Comprehensive (PPO) and Blue Medicare Advantage Choice (PPO)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Medicare Advantage (PPO), Blue Medicare Advantage Comprehensive (PPO) and Blue Medicare Advantage Choice (PPO)'s formularies.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Blue Cross and Blue Shield of Kansas. When it refers to “plan” or “our plan,” it means Blue Medicare Advantage (PPO), Blue Medicare Advantage Comprehensive (PPO) and Blue Medicare Advantage Choice.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Medicare Advantage (PPO), Blue Medicare Advantage Comprehensive (PPO) and Blue Medicare Advantage Choice only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 06/01/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with “SAVE” to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called AllianceRx Walgreens Prime. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Blue Cross and Blue Shield of Kansas is a PPO plan with a Medicare contract offering Medicare Advantage Plans in the counties of Butler, Chase, Coffey, Cowley, Dickinson, Douglas, Franklin, Geary, Harvey, Jackson, Jefferson, Kingman, Leavenworth, Linn, Lyon, Marion, McPherson, Miami, Morris, Osage, Pottawatomie, Reno, Riley, Sedgwick, Shawnee, Sumner and Wabaunsee. Enrollment in Blue Cross and Blue Shield of Kansas Medicare Advantage depends on contract renewal.

Blue Cross and Blue of Kansas is an independent licensee of the Blue Cross and Blue Shield Association.

ATTENTION: If you speak Spanish, language assistance services, free of charge, are available to you. Call 800-752-6650 (TTY:711). If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Cross and Blue Shield of Kansas.

Pharmacies are listed alphabetically by city and by type of pharmacy. The types of pharmacies in this directory appear in this order:

Mail Order Pharmacies

Retail Pharmacies, Including Chain Pharmacies

Long-term Care Pharmacies

Home Infusion Pharmacies

Under each listing we also list additional pharmacy features. These features are identified on each page with

- **SAVE** = Preferred cost-sharing. Drugs from these pharmacies may cost less than other pharmacies in our network.
- **90** = 90-day supply. These are retail pharmacies that offer an extended (90-day) supply of medications.
- **90+SAVE** = 90-day supply with Preferred Cost Sharing. Drugs from these extended supply retail pharmacies may cost less than other pharmacies in our network.
- **24HR** = Pharmacy is open 24-hours.
- **eRX** = Pharmacy accepts electronic prescriptions from prescribers.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 10 to 20 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact the numbers below (TTY users: 711) 24 hours a day, seven days a week, or visit the pharmacy website
