The network providers listed in this directory have agreed to provide you with health care services. You may go to any of our network providers listed in this directory.

Out-of-network providers are under no obligation to treat Blue Cross and Blue Shield of Kansas Medicare Advantage enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 800-222-7645 TTY: 711, Monday through Friday 8:00 a.m. to 8:00 p.m. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

In cases where out-of-network providers submit a bill directly to you, do **not** pay the bill. Submit the bill to Blue Cross and Blue Shield of Kansas for processing and determination of enrollee liability, if any.

You may obtain emergency services from the closest available provider, and may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.
