

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage for: Individual/Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbsks.com or call 1-800-332-0307. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other bolded terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-326-2088 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	Network EE Only \$2,750; EE + Family: Individual \$3,300 / Family \$5,500. Non Network: EE Only \$2,750; EE + Family: Individual \$3,300 / Family \$5,500.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes, preventive care with Network providers.	You will have to meet the deductible before the plan pays for any services. This <u>plan</u> covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No. There are no other specific deductibles.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical and Pharmacy combined Out-of-Pocket: Network: \$4,500 Ind. / \$9,000 Family Non Network: \$4,500 Ind. / \$9,000 Family Network and Non Network accumulators apply separately	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a Network provider?	Yes. For a list of preferred providers, see www.bcbsks.com or call 1-800-332-0307	This <u>plan</u> uses a <u>provider Network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's Network</u> . You will pay the most if you use an <u>Non Network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>Network provider</u> might use an <u>Non Network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
