Which doctors, hospitals, and pharmacies can I use?

Blue Cross and Blue Shield of Kansas has a network of doctors, hospitals, pharmacies, and other providers. As a result, you may pay less for your covered benefits. However, you may also use providers that are not in our network.

Generally, you must use pharmacies in our network to fulfill your prescriptions for covered Part D Drugs.

Please call 866-640-2759 (TTY:711) or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

What drugs are covered?

You can see the complete plan Formulary (list of Part D prescription drugs) and any restrictions on our website, bcbsks.com/medicare/pdp-welcome

Or, call us and we will send you a copy of the Formulary.

How will I determine my drug costs?

Our plans group each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier, day supply, and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: Deductible, Initial Coverage and Catastrophic Coverage. If you have questions about the different benefit stages, please contact the Plan for more information or access the Evidence of Coverage.

Overall Star Rating:	★★★★☆

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care

More stars mean a better plan – for example, members may get better care and better, faster customer service.

The number of stars show how well a plan performs.

Section 4 – Attestation of Eligibility for an Enrollment Period

Typically, you may enroll in a Medicare Prescription Drug Plan (PDP) only during the Annual Enrollment Period (AEP) between October 15 and December 7 of each year. Additionally, there are exceptions – i.e., Initial Enrollment Period (IEP) and Special Enrollment Periods (SEPs) – that may allow you to enroll in a Medicare Prescription Drug Plan outside of the Annual Enrollment Period.

Please read the following statements carefully and check all of the boxes where there is a statement that applies to you. By checking any of the following boxes you are certifying that, to the best of your knowledge, you are eligible for an Enrollment Period. If we later determine that this information is incorrect, you may be disenrolled.
