

Social Security Deduction Application

In working with the Centers for Medicare and Medicaid Services and the Social Security Administration, Blue Cross and Blue Shield of Kansas offers you the opportunity to have your monthly premium automatically deducted from your Social Security check. You may already use this option to pay your Part B premium.

The Social Security deduction offers the convenience of paying your monthly premiums on time, every time. There is no need to write checks, mail payments or worry about late payments. If you would like to have your premium deducted from your Social Security check, please complete this form and mail to:

Blue Cross and Blue Shield of Kansas | or fax to: 800-426-6535
P.O. Box 211355
Eagan, MN 55121

Do not send your premium payment with this form. Please send your payment to the address on your payment coupon.

It could take up to three months before you start seeing premiums withheld from your Social Security payment. Make sure to pay any premium bills you receive by mail until the Social Security deductions take effect. Once premium withholding starts, all of the premiums you owe will be withheld at once. If you owe more than \$300 in premiums, Social Security will not withhold these amounts. In these cases, Blue Cross and Blue Shield of Kansas will contact you.
