

# Pediatric Dental coverage under your BlueCare<sup>SM</sup> plan

bcbsks.com

Dental care and regular dentist visits can go a long way to keeping overall health where it needs to be. Whichever BlueCare plan you choose, you'll find that pediatric dental benefits are included. Our Affordable Care Act compliant plans provide you the coverage you need for your family, and help to make the cost of dental care manageable.

Here's a quick look at the pediatric dental services offered to members up to age 19:

## Preventive Services

- Cleanings – Covered 100%, once every six months
- Fluoride treatments – Up to three times yearly
- Sealants – One time a year per tooth<sup>1</sup>
- Space maintainers – One time per year<sup>2</sup>

<sup>1</sup> Limitations include occlusal surface only, teeth must be free of caries (tooth decay), not covered when placed over restoration.

<sup>2</sup> Covered when medically indicated due to premature loss of posterior primary tooth; recementation not covered within six months of initial placement.

## Diagnostic Services

- Periodic dental evaluation – Covered 100%, once every six months
- Comprehensive evaluation – One per insured, per dentist per lifetime

## X-rays

- Bitewing
- Full mouth and panoramic – Once every three years

## Treatment Services

### Fillings

- Silver amalgam
- Tooth colored composite

### Crowns<sup>3</sup>

- Stainless steel – Once per 24 months per tooth
- Metal only, metal/porcelain or porcelain only – Once per 60 months per tooth

<sup>3</sup> An approval process (known as "prior authorization") for determining if services will be considered for payment is required for all crowns except stainless steel.

## Root canals

- Root canals on baby teeth – One per tooth per lifetime
- Root canals on permanent teeth – One per tooth per lifetime

**The treatment services listed below also require prior authorization to be considered for payment.**

Annual eye exams are an important part of anyone's overall health routine, and they play a key role in ensuring a child's vision and academic development. Your BlueCare plan includes pediatric vision coverage for those important exams, eyeglasses and other additional benefits.

Here's a quick look at the pediatric vision services offered to members up to age 19:

## Eye Exams

- Basic exams are covered as needed when provided by ophthalmologists and optometrists
- Two exams per month to detect and/or follow medical conditions
- As needed up to one year following cataract surgery

## Eyeglasses (standard frames)

- Frames must include a one-year warranty
- Up to three pairs of frames per 365 days
- Up to three sets of lenses per 365 days
- Eyeglasses provided for post cataract surgery within one year of surgery

## Contact Lenses

Contact lenses require prior authorization. Contact lens fitting is allowed once per lifetime when contacts are first prescribed and fitted. Subsequent fittings will be considered if a new type of contact lens is being prescribed and fitted.

## Blepharoplasty and Blepharoptosis

Surgery for the correction of eyelid defects requires prior authorization.

## Exclusions

Although this is not a complete list, your pediatric vision coverage excludes items such as LASIK surgery, sunglasses, safety glasses, athletic glasses, backup eyeglasses and contact lenses for cosmetic purposes.
