NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbsks.com/blueaccess or call 1-800-432-3990. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall deductible?	**$0** at Indian Health Care Provider (IHCP) or with IHCP referral at Non-IHCP. **$5,800** person / **$11,600** family for Non-IHCP In-Network Provider. There is no coverage for Non-IHCP Out-of-Network Providers. Doesn't apply to In-Network preventive care.	Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible**.
Are there services covered before you meet your deductible?	Yes, preventive care.	For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	**$8,900** person / **$17,800** family for In-Network. There is no coverage for Non-IHCP Out-of-Network services.	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.
What is not included in the out-of-pocket limit?	**Premiums**, **balance-billing** charges, and health care this **plan** doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See **www.bcbsks.com /providerdirectory** or call 1-800-432-3990 for a list of **network providers**.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **plan's network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider's** charge and what your **plan** pays (**balance billing**). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No.	You can see the **specialist** you choose without a **referral**.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
